Dear Mr/Ms,

Arsenal Harley-Davidson and their Harley Owners Chapter are planning a special 30-Year “Toys for Tots” campaign and a goal of \$30,000 to make Christmas wishes come true for our local disadvantaged children. We are partnering with the United States Marine Corps Reserve in providing toys for children of needy families. In fact, **Oakland County is trending near 10% in children poverty**. Can you imagine 1 of 10 children in Oakland County will not receive a Christmas gift? The need is great.

USA Marine “Toys for Tots” is a year-round program which makes a lasting impact in the lives of disadvantaged children. With your generous donation, we can continue our mission of providing toys, books, and emotional support to those who need hope the most. Your contribution goes beyond the holiday season, ensuring children experience the joy of play and the power of imagination throughout the year.

Together, we can create brighter futures for children, empowering them with the tools they need to thrive. Join us in our heartfelt mission to bring smiles, warmth, and happiness to countless children in need today!

Thank you in advance for your contribution. Know “Toys for Tots” makes good use of your donation...

- Our 97:3 Program to Support ratio means 97% of all expended funds directly support our mission
