NEW PRODUCT CATALOG '22

Fit & Function

Wild One™ Collection — Heated Hand Grips Black/Machined Highlights

Fits '21-later RA1250S and RH1250S models. RH1250S models require a Digital Tech update by a Harley-Davidson® dealer.

Part Number: 56100483

These thermostatically controlled grips feature variable heat settings controlled with a military grade resistor, and use automatic temperature monitoring to adjust to ambient temperatures. Grips have been thermally mapped to provide more-uniform heat and are designed to achieve a maximum operating temperature approximately 20° Fahrenheit warmer than previous accessory heated grips for added warmth during cold rides. Combine style and comfort for cool morning or frigid night rides.

- With both hands on the grips, they remain at a constant temperature regardless of changes in outside temperature
- Self-contained control circuit and control knob means no additional switches or controller boxes to mount
- Switched on/off with the ignition to avoid draining your battery
- Easy-to-install glueless design allows removal of the grips for servicing without damage
- Rubber surface for positive grip in wet or dry weather plus inset classic Harley-Davidson branding for added style
- Machined aluminum highlights
- Sold as a pair
- Diameter: 1.49
- Complete this custom look with additional accessories from the Wild One™ Collection

NEW PRODUCT CATALOG '22

Fit & Function

Adventure Jiffy Stand for Pan America™ 1250 Models

Fits '21-later RA1250 and RA1250S models without Adaptive Ride Height.

Part Number: 50000248

Fits '21-later RA1250S models equipped with Adaptive Ride Height.

Part Number: 50000264

This Adventure Jiffy Stand offers added stability on soft surfaces and is an ideal factory fit.

- 60% larger footprint compared to the Original Equipment jiffy stand for more-secure support when parking the motorcycle on soft ground
- Does not alter the height of the jiffy stand to maintain original lean of bike when parked
- Does not change lean angle when motorcycle is cornering
- Factory designed for easy installation, an ideal fit and maximum durability

Jiffy Stand Extension — Black

Fits '91-later Touring models. Does not fit models equipped with Defiance Footboards, Burst Footboards or Rider Running Boards P/N 50500158.

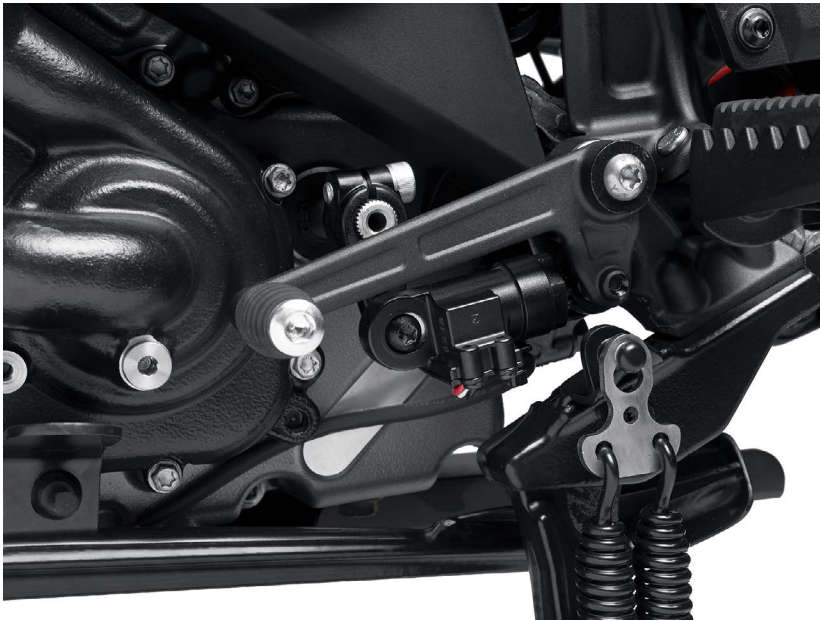

Part Number: 50000263

Jiffy Stand Extension kits have been ergonomically designed to simplify the deployment and retraction of the jiffy stand. The extension is shaped to simplify locating the tab with your boot, and aid in swinging the jiffy stand into position.

- Kit mounts to Original Equipment jiffy stand
- Includes all required mounting hardware
- Black finish complements bikes with black-out powertrain

NEW PRODUCT CATALOG '22

Fit & Function

Screamin' Eagle® Quickshifter for Pan America™ 1250 models

Fits '22-later RA1250 and RA1250S models. Installation requires dealer Digital Technician update. Does not fit California models.

Part Number: 32700151

- Shift in an instant. The Screamin' Eagle Quick Shifter provides clutchless up and down shifts without risking transmissions damage
- When foot shift control is engaged fuel and ignition are cut within milliseconds, which unloads the transmission allowing you to fly through up-shifts without touching the throttle or clutch
- Shifter signal also blips the throttle for seamless down-shifts without using the clutch
- Precise shifts are accomplished in an instant enabling smoother, stress-free control in on- and off-road situations
- Installation requires a dealer Digital Technician update/flash

Tall Rear Shock – Softail®

Fits '18-Later Softail® models (except FLHC, FLHCS, FXFB, FXFBS, FLFB and FLFBS). Original Equipment on '22-later FXLRS models.

Part Number: 54000294

This tall rear shock can be used to raise the motorcycle seat height for comfort or to increase lean angle for more cornering clearance during aggressive riding.

- Increased rear wheel travel may improve comfort and reduce suspension bottoming for some riders
- Pre-load is adjustable using a Spanner Wrench (sold separately) to dial in sag based on weight of rider, passenger and luggage, for ideal handling and ride
- Designed and validated by Harley-Davidson for fit and performance you can count on

NEW PRODUCT CATALOG '22

Fit & Function

#49000231

#49000232

Flat-Out Bar

Chrome

Part Number: 49000232

Black

Part Number: 49000231

Fits '18-later Softail® models (except FXDRS). '22-later FXLRST requires separate purchase of Flat-Out Bar Adapter Kit P/N 47200927.

Get tip-over protection with sleek West Coast style. The Flat-Out Bar provides limited cosmetic vehicle protection to the front of the motorcycle in a low-speed tip-over event.

- Factory integrated design for an ideal fit and validated performance
- Chrome finish / Gloss black finish

Front and/or rear guards are not intended to provide protection from bodily injury in a collision with another vehicle or any other object.

Flat-Out Bar Adapter Kit

Fits '22-Later FXLRST models.

Part Number: 47200927

Required for installation of Flat-Out Bar, Mustache Engine Guard, and Traditional Engine Guards.

- Black finish matches the original fairing support
- Factory integrated design for an ideal fit and quality
- Enables fitment of accessory tip-over protection to Low Rider® ST model

NEW PRODUCT CATALOG '22

Fit & Function

7" Wind Splitter ST Windshield — Batwing Fairing

Fits '14-later Electra Glide®, Street Glide®, Ultra Limited™ and Tri Glide™ models. Does not fit with windshield bags or pouches.

Part Number: 57400528

Combine functional performance and custom style with this gold-colored Wind Splitter windshield. Windshield size does matter. After all, it's simple to understand that the larger the windshield area, the greater the amount of wind deflection. This Wind Splitter windshield is a great look for all Street Glide® models and is shaped for the perfect combination of effective airflow management and wow styling.

- 7" Low Profile
- Opaque gold finish complements wheels and accents of the Street Glide ST 117 model but fits and can add extra custom style to other Street Glide models
- Sweeping design complements the shape of the fairing and the inner dash panel, and adds height over a traditional low-profile wind deflector in the center where it counts
- Shape decreases wind noise and improves your ability to hear the motorcycles sound system
- Easy-to-install and features a center-mount Bar & Shield logo for a distinctive finishing touch
- Custom color is protected by a scratch-resistant layer

NEW PRODUCT CATALOG '22

Fit & Function

Road Glide® ST 6" Wind Deflector

Fits '15-later Road Glide® models.

Part Number: 57400526

Roll with custom style. This 6-inch Wind Deflector accentuates the curvaceous shape of the Road Glide® model's fairing, and hugs the contours of the splitstream vent. The gold coating gives it extra style.

- 6" Low Profile
- Opaque gold finish complements wheels and accents of the Road Glide ST 117 model but fits and can add extra custom style to other Road Glide models
- Custom color is protected by a scratch-resistant layer
- Defines the transition from the inner to the outer fairing surfaces
- Provides a low, lean look to your custom ride
- Easy-to-install and features a center-mount Bar & Shield logo for a distinctive finishing touch

NEW PRODUCT CATALOG '22

Fit & Function

Light Smoke Windshield - 10"

Fits '22-Later FXLRST models.

Part Number: 57400505

Hit the highway with all-day comfort. This windshield maintains the cool style of the Low Rider® ST while enhancing rider protection from wind, rain and debris.

- 4" taller than the stock Low Rider ST windshield to provide added rider protection from wind, rain and debris
- Light Smoke finish does not interfere with forward vision
- Durable polycarbonate material is protected by a hard-coat, scratch-resistant layer
- Factory design maintains sleek lines of the fairing and offers an ideal fit

ST Wind Deflector

Fits '22-Later FXLRST models.

Part Number: 57400503

Maintain a low profile. This 2" tall wind deflector is designed specifically for Low Rider ST riders who prefer maximum style and minimal wind protection. The gold coating gives it dazzling style.

- Opaque gold finish complements wheels and accents of the Low Rider® ST model
- Shaped to complement the curvature of the Low Rider ST fairing
- Custom color is protected by a scratch-resistant layer
- Factory designed for an ideal fit and durability
- Provides a low, lean look for your custom ride

NEW PRODUCT CATALOG '22

Fit & Function

Drag Seat

For those who live for the moment red lights turn green, the Drag Seat is destined to keep the rider firmly planted in the bike under hard acceleration & maneuvering. The raised pillion of the Drag Seat provides increased support when you need it most. The pillion is also adjustable and allows the rider to pick between a fore and aft position for the ideal support.

- Fine tune the fit by sliding the adjustable pillion forward or back through a range of 2 inches
- Structural ridges of foam provide increased grip without compromising comfort
- The exposed lightweight aluminum seat pan provides a rigid foundation for the seat and offers better rider feedback from the vehicle under aggressive maneuvering
- Seat Width: 12.33" Pillion Width: 9.74"

Drag Seat – Gloss Black Base

Fits '14-later Touring models. Does not fit Trike models. Does not fit models equipped with Passenger Grab Rails or vehicles equipped with Tour-Pak® luggage carrier.

Part Number: 52000461 - Available Q1 '22

- Seat pan with gloss black finish

Drag Seat – Brushed Aluminum Base

Fits '14-later Touring models. Does not fit Trike models. Does not fit models equipped with Passenger Grab Rails or vehicles equipped with Tour-Pak® luggage carrier.

Part Number: 52000452 - Available Q1 '22

- Seat pan with brushed aluminum finish

NEW PRODUCT CATALOG '22

Fit & Function

Empire™ Collection End Caps — Black with Machine Cut

Fits '17-later Touring models equipped with 4.5" Screamin' Eagle® Street Cannon mufflers. Does not fit CVO Touring mufflers.

Part Number: 65100221

Fits '18-later FLSB and '17-later Touring models equipped with 4.5" Screamin' Eagle Street Cannon Mufflers. Does not fit CVO Touring mufflers. Sold Individually.

Part Number: 65100218

Raise the stakes. Milled highlights reveal gleaming billet aluminum below the rich black anodized surface, while deep grooves add eye-catching depth and detail to each component in this complete collection of custom accessories. Executed in durable cast and billet aluminum, the Black Machine Cut Empire™ Collection adds captivating custom detail that complements black or machine cut accessories.

- Beefy forged aluminum muffer end caps add rebellious attitude to a bike fitted with Screamin' Eagle Street Cannon 4.5" mufflers
- Deep channeled grooves add visual length to the bike's profile for custom style
- Inset Bar & Shield logo
- Easy to install, kit includes two end caps and all required mounting hardware
- Sinister styling compliments other blacked out or machine cut components
- Add the complete collection, or start with one component and build your custom ride

NEW PRODUCT CATALOG '22

Fit & Function

**Empire™ Collection Chrome**

Raise the stakes. Brilliant chrome highlights the deep grooves that add eye-catching depth and detail to this complete collection of custom accessories. Executed in durable cast and billet aluminum, the Chrome Empire™ Collection adds captivating custom detail that complements other chrome accessories.

Fits '17-later Touring models equipped with 4.5" Screamin' Eagle® Street Cannon mufflers. Does not fit CVO Touring mufflers.

Part Number: 65100219

Fits '18-later FLSB and '17-later Touring models equipped with 4.5" Screamin' Eagle Street Cannon Mufflers. Does not fit CVO Touring mufflers. Sold Individually.

Part Number: 65100216

- Beefy forged aluminum muffler end caps add rebellious attitude to a bike fitted with Screamin' Eagle® Street Cannon 4.5" mufflers
- Deep channeled grooves provide visual length to the bike's profile for custom style
- Inset Bar & Shield logo
- Easy to install, kit includes two end caps and all required mounting hardware
- Brilliant Chrome finish compliments other chrome components for a cohesive look across the bike
- Add the complete collection, or start with one component and build your custom ride

NEW PRODUCT CATALOG '22

Fit & Function

**Empire™ Collection Black**

Raise the stakes. Deep grooves add eye-catching depth and detail to the rich black anodized finish on this complete collection of custom accessories. Executed in durable cast and billet aluminum, the Black Empire™ Collection adds captivating custom detail that complements other black and machine cut accessories.

Fits '17-later Touring models equipped with 4.5" Screamin' Eagle® Street Cannon mufflers. Does not fit CVO Touring mufflers.

Part Number: 65100220

Fits '18-later FLSB and '17-later Touring models equipped with 4.5" Screamin' Eagle Street Cannon Mufflers. Does not fit CVO Touring mufflers. Sold Individually.

Part Number: 65100217

- Beefy forged aluminum muffler end caps add rebellious attitude to a bike fitted with Screamin' Eagle® Street Cannon 4.5" mufflers
- Deep channeled grooves provide visual length to the bike's profile for custom style
- Inset Bar & Shield logo
- Easy to install, kit includes two end caps and all required mounting hardware
- Sinister styling compliments other blacked out components

NEW PRODUCT CATALOG '22

Fit & Function

**Lighted Hand Control Switches**

Fits '21-later Touring models with Traction Control and '21-later FLHTCUTG. Does not fit Road King or FLHT models. Does not fit with Chrome Switch Cap Kits.

Part Number: 71500629

Add function and style to the Original Equipment hand controls on Touring models. Lighted Hand Controls feature soft white LED backlighting that illuminates the switch function icons for enhanced nighttime visibility.

- At-a-glance identification and a modern up-to-date look
- Kit includes plug-in switch packs for left- and right-hand controls, including the Traction Control switch for '21 models

NEW PRODUCT CATALOG '22

Color-Matched Accessories

**Custom Chopped Front Fender**

Fits '14-later Touring models equipped with 17", 18" or 19" wheel and tire combination. Does not fit with Fender Tip Assembly P/N 59600003 or 59600006. Does not fit Trike models.

This all-steel Chopped Front Fender is a key element of West Coast style for Touring models.

- Trimmed profile gives the front end a tough pro-touring look
- Exposes the wheel from hub to rim for maximum visual impact
- Designed for mistake-proof install
- Pre-drilled to fit Original Equipment fender mounting bosses, and does not require additional fender spacers or install kits

Harley-Davidson® Audio 50S Bluetooth® Headsets

The flagship Harley-Davidson Audio 50S Bluetooth Headset is engineered to simplify and extend wireless communication, now equipped with Harley-Davidson Audio powered by Rockford Fosgate® Stage I Speakers for Wireless Headsets for outstanding audio. The 50S Headset comes with 2 modules (1 Bluetooth 5 and 1 Mesh 2.0) and offers an exceptional integrated experience when paired to your bike's Boom!™ Box infotainment system via the Wireless Headset Interface Module (WHIM), sold separately. When paired with the WHIM, you can enjoy full stereo sound, use the bike's infotainment screen to configure select features of your headset, and leverage the existing hand controls to ensure safe and controlled riding as you move effortlessly through music, phone, GPS and push-to-talk intercom conversations. This headset is also compatible with Apple CarPlay and Android Auto through a Boom! Box GTS Radio, with voice-activated digital assistant access ("Hey Google"/"Hey Siri"). Without the WHIM, you can control your 50S through available hands-free voice commands or the glove-friendly jog dial menu navigation. Kit includes headset, mics and all necessary installation hardware.

- Harley-Davidson Audio powered by Rockford Fosgate Stage I Speakers for Wireless Headsets provide the ultimate in motorcycle audio performance with rich bass and clarity at any volume
- 30% faster rapid charging when compared to previous generation headsets
- Automatic firmware updates via the included WiFi Adapter
- Ambient Mode: Option to hear regular road and surrounding noises
- Advanced Noise Control: Ambient noise cancellation for incoming and outgoing audio
- Audio Boost: Automatic volume boost to counteract ambient noise
- FM Radio: 10 preset station memory integrated FM radio
- Audio plays from both speakers for all functions
- Universal Intercom: Ability to connect with any headset via Bluetooth® regardless of manufacturer
- Bluetooth Intercom: Ability to wirelessly communicate with other riders (up to 4-way intercom)
- Mesh Intercom Network: Ability to wirelessly communicate with other riders without pairing, Up to 16-way intercom (private mode) / Virtually limitless within 1 mi/1.2 Km (public mode)
- Audio Multitasking: Simultaneous operation of multiple audio functions
- Meh Talk Time: up to 9 hours
- Charge Time: fully charged in only an hour; provides up to 9 hours of Mesh intercom talk time or 14 hours of Bluetooth intercom talk time
- Working Distance: up to 5 miles/8 Km under optimal conditions

Harley-Davidson® Audio 50S Bluetooth® Headset - Single

Fits most Harley-Davidson full and 3/4 helmets. Bluetooth headset is compatible with Harley-Davidson Original Equipment 6.5GT Boom! Box and Boom!™ Box GTS radio when equipped with Wireless Headset Interface Module P/N 76000768. Headset speakers intended for helmets with speaker cut-outs.

- Bluetooth Intercom Distance: up to 1.2 miles/2 Km under optimal conditions

Harley-Davidson® Audio 50C Bluetooth Headset - Single

Fits most Harley-Davidson full and 3/4 helmets. Bluetooth headset is compatible with Harley-Davidson Original Equipment 6.5GT Boom! Box and Boom! Box GTS radio when equipped with Wireless Headset Interface Module P/N 76000768. Headset speakers intended for helmets with speaker cut-outs.

Part Number: 76001180

Harley-Davidson® Audio powered by Rockford Fosgate® - Stage I Speakers for Wireless Headsets

Fits Harley-Davidson Boom! Audio 30K and 20S Evo Bluetooth Helmet Headsets.

Part Number: 76001137 - Available Q1 '22

Upgrade audio performance with these Harley-Davidson Audio powered by Rockford Fosgate - Stage I Speakers for Wireless Headsets. These in-helmet speakers were designed in collaboration with the audio experts at Rockford Fosgate to deliver increased frequency response and reduced total harmonic distortion for superior bass and clarity when compared to previous generation Boom! Bluetooth® Communication speakers.

- Provide noticeable audio playback improvement at volume for improved sound quality at highway speeds
- Larger speaker design, compared to past Boom! speaker designs, to provide more bass response and full dynamic range at all volume levels
- Easy installation as a replacement for speakers in Harley-Davidson Boom!™ Audio 30k and 20S Bluetooth Helmet Headsets
- Ideal fitment inside helmets designed with speaker cut-outs
- Bar & Shield in speaker foam and Rockford Fosgate medallion on back of speaker for added style
- To ensure the best sound from your Harley-Davidson Audio powered by Rockford Fosgate Bluetooth Headset Stage I Speakers, update the firmware in the headset to the latest 'Rockford Fosgate speaker equipped' version. See [harley-davidson.com](https://www.harley-davidson.com) for details

Here's the foundation of the ultimate motorcycle audio experience for Harley-Davidson® Road King® motorcycles. Powerful, intelligent amplifier with digital signal processing (DSP) technology developed jointly by Harley-Davidson and Rockford Fosgate is engineered to perform in the demanding motorcycle environment. Connects to your mobile device via Bluetooth to play stored or streaming audio through Harley-Davidson Audio powered by Rockford Fosgate speakers (sold separately) and turns your Road King® motorcycle into a concert hall.

Harley-Davidson® Audio powered by Rockford Fosgate® Amplifier with DSP for Road King® Models

Fits '14-later Road King® models (except FLHRC) and '19-Later FLHT models. Requires separate purchase of installation kit P/N 76001113. Required for the installation of one Harley-Davidson® Audio powered by Rockford Fosgate® Stage 2 speaker kit. Does not fit with Saddlebag Guard Rails.

Part Number: 76001074

- Compact amplifier is easy to install in the motorcycle saddlebag
- Power two Harley-Davidson Audio powered by Rockford Fosgate Stage 2 speakers (sold separately) installed in saddlebag lids, fairing lowers, or King Tour-Pak® Luggage
- 125 watts x 2 per channel @ 4ohms; 125 x 2 watts per channel @ 2ohms
- Dimensions: 8.13" x 5.39" x 2.01"
- Requires separate purchase of Amplifier Installation Kit P/N 76001113, a Harley-Davidson Audio powered by Rockford Fosgate® Stage 2 speaker kit, and the applicable installation kit specific to the speaker kit
- [Learn More about the Harley-Davidson Audio powered by Rockford Fosgate](#)

Road King Amplifier Installation Kit

Fits '14-later Road King and '19-Later FLHT models equipped with Harley-Davidson® Audio powered by Rockford Fosgate® - Amplifier with DSP P/N 76001074.

Part Number: 76001113

Includes components required for installation of Harley-Davidson® Audio powered by Rockford Fosgate® Amplifier P/N 76001074 in a Road King® model or Electra Glide Standard.

The deep bass will turn heads when you roll up playing your Harley-Davidson® Audio powered by Rockford Fosgate® Subwoofer Kit. Designed for 2014-later Touring bikes equipped with Harley-Davidson® Audio powered by Rockford Fosgate® audio, these plug-and-play 10-inch subwoofers enable heart-thumping bass while cruising around the city streets or out on the open road. Can be installed as a single subwoofer or a dual subwoofer set.

Harley-Davidson® Audio powered by Rockford Fosgate® Subwoofer Kit (Primary)

Fits '14-later Touring models in the right-side saddlebag when equipped with two or four total speakers on a Harley-Davidson Audio powered by Rockford Fosgate audio system. Does not fit Trike or Road King or FLHT models.

Part Number: 76001163 (Primary Kit)
- Available late Q1 '22

- Single or dual woofer flexibility provides as much big bass sound as you want
- Entire subwoofer enclosure may be removed without tools when space is needed in the saddlebags. Included saddlebag cover panel protects saddlebag contents when subwoofer is removed
- Plug-and-play design is easy to install and to remove when desired
- Harley-Davidson Audio powered by Rockford Fosgate branding showcases the quality of this subwoofer system
- Power Lock cut-out enables installation in CVO models with power saddlebag locks and maintains that security
- Harley-Davidson Audio powered by Rockford Fosgate products are garage ready in most cases. However, in some cases, amplifiers may need to be reflashed at a dealership in order to ensure the software is the latest and greatest. The Harley-Davidson Audio powered by Rockford Fosgate mobile app will alert you regarding this necessary dealership reflash.

Harley-Davidson Audio powered by Rockford Fosgate® Subwoofer Kit (Secondary)

Fits '14-later Touring models in the left-side saddlebag when equipped with two or four total speakers on a Harley-Davidson Audio powered by Rockford Fosgate audio system. Does not fit Trike, Road King or FLHT models. Installation of second subwoofer kit requires separate purchase of Harley-Davidson Audio powered by Rockford Fosgate amplifier P/N 76000990.

Part Number: 76001164 (Secondary Kit)
- Available late Q1 '22

FXLRST Audio

A high-performance motorcycle deserves high-output audio.

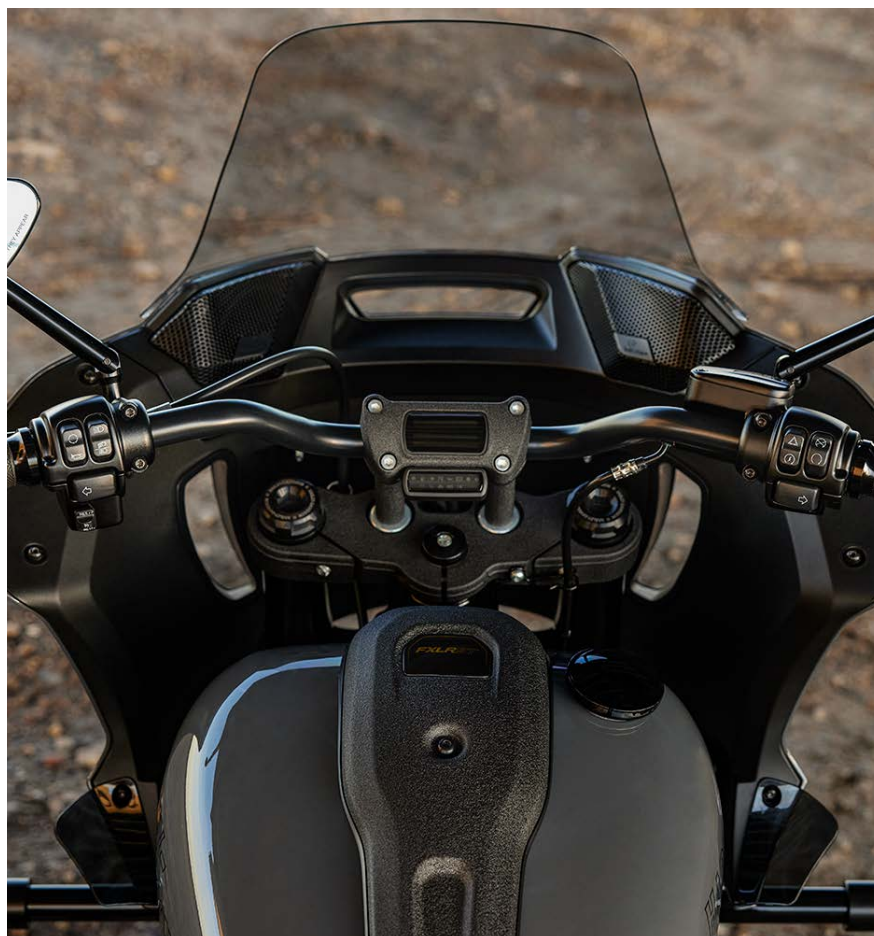

Harley-Davidson® Audio powered by Rockford Fosgate® — Inner Fairing Audio Kit

Fits '22-Later FXLRST models.

Part Number: 76200037

A high-performance motorcycle deserves high-output audio. This kit was designed alongside the Low Rider® ST for outstanding performance and an ideal fit within the fairing. A powerful, intelligent amplifier with digital signal processing (DSP) technology developed jointly by Harley-Davidson and Rockford Fosgate is engineered to perform in the demanding motorcycle environment. Connects to your mobile device via Bluetooth to play stored or streaming audio through a pair of built-in two-way speakers.

- Marine grade two-way speakers include a pair of 5.25" woofers and two remote tweeters aimed at the rider's ears for great audio performance
- Lightweight design has minimal impact vehicle dynamics and performance
- Plug-and-play installation. One assembly includes the amplifier, speakers and housing, which replaces the original equipment inner fairing
- Two simple wiring connections power the unit
- Uses Bluetooth 4.2 for a strong wireless connection to most devices with minimal compression for outstanding sound quality
- Connectivity with the Harley-Davidson Audio powered by Rockford Fosgate mobile app offers unique features like Automatic Volume Control (AVC), adjustable 7-Band EQ, and step by step system configurator
- Compact amplifier mounts within the fairing. 250 watts of amplifier power (125 x 2 @ 4ohms / 125 x 2 @ 2ohms) for crisp, clear sound quality at any volume. Overcomes bike, environment, and helmet sound-limiting variables at all speeds

NEW PRODUCT CATALOG '22

Luggage & Storage

**Onyx Premium Luggage Collection Fly and Ride Bag**

Installation requires a sissy bar upright and backrest pad. Luggage rack required if not mounting on passenger pillion. Does not fit XR1200, XR1200X, FXDRS, and XG models.

Part Number: 93300158 - Available Q1 '22

Designed by riders for riders, the Onyx Premium Luggage Collection is the best luggage Harley-Davidson has to offer and provides everything you need in motorcycle luggage and nothing you don't. The Fly and Ride Bag will breeze through airport security and is designed to be an ideal carry-on bag for the rider flying to meet their bike, or taking off on any adventure.

- Locking-push button handle that extends by 16" to a height of 38.25" and smooth-rolling skateboard wheels make this bag easy to handle in the airport
- Designed to fit in most commercial aircraft overhead bins for easy travel
- Fold-out TSA-approved padded sleeve accommodates 15" laptop plus a separate tablet sleeve
- Rollers designed not to scuff seat when mounted to sissy bar
- Water-resistant zippers with rubber Harley-Davidson® branded, glove-friendly pulls for easy open and close
- High-contrast orange interior makes it easy to see bag contents in almost any light and a plethora of internal and external pockets and an adjustable shelf make organization easy
- Abrasion-resistant, non-slip bottom keeps the bag in place
- DIMENSIONS (approximate): 14" W x 9" D x 22" H
- CAPACITY (approximate): 2450 CI

NEW PRODUCT CATALOG '22

Luggage & Storage

**Onyx Premium Luggage Collection Tank Bag**

Fits '18-later Softail models (except FL5B, FXLR, FL5B, FXDRS and '20-'21 FXLRS).

Part Number: 93300159

Designed by riders for riders, the Onyx Premium Luggage Collection is the best luggage Harley-Davidson has to offer and, provides everything you need in motorcycle luggage and nothing you don't. The Tank Bag is designed specifically for Softail® model motorcycles and keeps small items and must-haves, including a mobile device, close at hand.

- Integrated leave-behind mounting hooks ease installation and seamlessly blend into the vehicle's profile when not in use
- The waterproof see-through top panel is touch-compatible and an ideal location for securing a mobile device
- High-contrast orange interior makes it easy to see bag contents in almost any light so you spend less time searching and more time riding
- Water-resistant zippers with rubber Harley-Davidson branded, glove-friendly pulls for easy open and close
- Exterior MOLLE-style webbing and elastic cord offer versatile mounting options
- DIMENSIONS (approximate): 12.4" x 4.75" x 9.5"
- CAPACITY (approximate): 420 CI.
- This bag is not collapsible

NEW PRODUCT CATALOG '22

Luggage & Storage

Compact Travel Cover - Large

Fits '21-later Pan America™ and '14-later Touring and Tri-Glide models. Recommended for any model with Tour-Pak® luggage installed.

Part Number: 93100073 - Available Q1 '22

Compact Travel Cover - Medium

Fits '21-later RH1250S, '12-later XG, '04-later XL models, and '18-later Softail models. Not recommended for any model with Tour-Pak® luggage installed.

Part Number: 93100074 - Available Q1 '22

Travel with protection. This lightweight, water-resistant Compact Travel Cover is easy to pack and covers the main motorcycle touch points from the windshield to the rear seating area.

- Compact and lightweight cover stores in its own pouch and requires over 40% less luggage space than a full-size motorcycle cover, so it's easy to pack along "just in case"
- When compacted in pouch, travel cover takes up less space than a 64Oz aluminum drink container
- Multiple attachment options to adjust the fit based on motorcycle model and luggage option so cover can be used on different bikes
- Minimize motorcycle wipe-down after dew or light rain
- Discourages tampering with the covered motorcycle for an added layer of security
- Reflective logos highlight the front, rear, and sides of vehicle for added visibility when the motorcycle is parked at night offer peace of mind
- Made from polyester with a water-resistant polyurethane coating

NEW PRODUCT CATALOG '22

Batteries

**Battery Booster Travel Case**

Designed for Booster Portable Battery Pack P/N 66000130 or 66000147 (sold separately).

Part Number: 66000347

This durable and rugged case will make it easy to transport and protect your Harley-Davidson Booster Portable Battery Pack wherever your travels will take you.

- A semi-rigid case that fits snugly around the battery pack to make it more compact and very easy to carry in a saddlebag, soft luggage, or even a backpack
- The case has room to store all Booster Portable Battery Pack accessories (jumper cables, USB cables, 12V/ cigarette lighter adapter)

NEW PRODUCT CATALOG '22

Batteries

#66000301

#66000302

#66000303

Note: Lithium batteries are not for everyone as they differ from AGM in terms of powering certain accessories or bikes that have been heavily modified from stock configurations. Be sure to ask your H-D dealer if a Lithium battery is right for your application and use.

Lithium LiFe Batteries

Power up with lithium LiFe battery technology, offering unequalled cranking power and a significant weight reduction over an AGM lead acid battery. Quality and performance backed by a 5-year limited warranty.

- A drop-in replacement for the Original Equipment battery with no fit adapter or foam blocks required
- Up to twice the life span of AGM lead acid battery — Follow storage instructions for optimal service life
- When disconnected from the motorcycle a lithium battery will maintain its charge without maintenance for up to 12 months
- The internal solid-state Battery Management System automatically detects over/under charging for more-reliable starting performance and protects the battery from deep discharge, over voltage and over temperature
- For optimal charging, use a Harley-Davidson® Dual Mode Battery Charger (sold separately)
- Shipping restriction: This item is not eligible for Priority shipping and must ship via Standard Ground. Therefore, it cannot be shipped to APO/FPO/DPO addresses

Lithium LiFe 4Ah Battery

Fits '15-later XG, '04-later XL and '08-'13 XR models.

Part Number: 66000301

- Available late Q1 '22

Lithium LiFe 7Ah Battery

Fits '07-'17 VRSC™ (except '07 VRSCR), '97-'03 XL, '97-'17 Dyna®, '97-later Softail® models.

Part Number: 66000302

- Available late Q1 '22

Lithium LiFe 8Ah Battery

Fits '04-later Touring and '09-later Trike models.

Part Number: 66000303

- Available late Q1 '22

Garage Security & Locks

NEW PRODUCT CATALOG '22

Locks

**Disc Brake & Rotor Lock**

Fits front brake rotor on '83-later models, except those with 19-inch laced front wheels. On VRSC™ models, fits on rear brake rotor, does not fit front brake rotor on models equipped with solid disc wheels.

Part Number: 94868-10A

Secure your brake disc or sprocket. This lock features a fully removable 14mm lock with a large inside diameter to simplify the capture of chain links and cable loops.

- High-security double deadbolt design and tough-defeat lock cylinder
- Soft vinyl coating on the lock protects your bike's finish
- Corrosion resistant
- Includes two standard keys, one lighted key, high visibility reminder cord, and a compact ballistic nylon storage pouch with belt clip
- Limited lifetime manufacturer warranty*
- Free key registration and replacement program*
- Optional Anti-Theft Protection available, reimbursement up to \$1000 (£750)(€900)*

*"KEY SAFE" registration and replacement service is provided by the lock manufacturer. Information is included in the product packaging.

Warning: Remove lock before operating motorcycle. Failure to remove lock could result in death or serious injury.

Loop Chain and Disc Brake & Rotor Lock

Universal Fit

Part Number: 94869-10A

- Available late Q1 '22

Maximum protection for your motorcycle. This high-security Loop Chain features a 12mm triple heat treated boron manganese 6-sided link steel chain with cinch ring for securing your bike to stationary objects.

- Loop chain length: 4.25 ft (129 cm)
- Fully removable Disc Brake & Rotor Lock has a high-security double deadbolt design and tough-defeat lock cylinder, with a soft vinyl coating on the lock to protect your bike's finish
- Corrosion resistant
- Includes a fully removable 14mm lock, a double deadbolt design for added security, a high-security lock cylinder with anti-float discs and nylon molded dust cover, and a lighted key for night time locking
- Limited lifetime manufacturer warranty*
- Free key registration and replacement program*
- Optional Anti-Theft Protection available, reimbursement up to \$1,500 (£1,000) (€1,250)*
- Ideal for use with Security Anchor (P/N 92800013)

Retractable Cable Lock

Universal Fit

Part Number: 92800018

This multi-purpose retractable cable easily secures your personal items to your motorcycle or solid object, and is small enough to carry in a pocket or backpack. Slip it through a jacket sleeve or a helmet loop and secure to your bike or a fixed object.

- 3 ft (90 cm) cable length is long enough to secure many different personal items
- Compact, lightweight, and easy to use so you never need to leave it at home
- 4-digit resettable combination can be personalized so it's easier to remember
- Free combo safe program*

NEW PRODUCT CATALOG '22

Locks

**Security Anchor**

Universal Fit

Part Number: 92800013

Lock down that motorcycle. This rugged Security Anchor is designed to create a permanent anchor point for use with security chains and locks. Secure it to your truck or trailer bed or to a garage floor.

- Includes masonry drill bit and bolts necessary to install into concrete
- Corrosion resistant
- Recommended to be used with Harley-Davidson chains and locks, such as Loop Chain and Disc Brake and Rotor Lock (P/N 94869-10A)
- Recommended to be used with Harley-Davidson Security Anchor Installation Kit (P/N 12600354) for use on trailers or truck beds

**Security Anchor Installation Kit**

Universal Fit

Part Number: 12600354

Required for installation of the Harley-Davidson Security Anchor (P/N 92800013) to a trailer or truck bed.

- For security use only, not to be used as a tie-down point

NEW PRODUCT CATALOG '22

Locks

**Double Looped Security Cable**

Universal Fit

Part Number: 94871-10A

- Available late Q1 '22

- Loop it through the sleeve of your jacket and the strap of your helmet, lock it to the bike, and feel free to walk away unencumbered
- 7' (213 cm) length x 0.4" (10mm) thick
- Corrosion resistant vinyl coating makes cable easy to handle
- Hook-and-loop strap lets you secure the coiled cable for convenient storage
- Recommend to be used with a Harley-Davidson Disc Brake & Rotor Lock (P/N 94868-10A)

Warning: Remove lock before operating motorcycle. Failure to remove lock could result in death or serious injury.

**Armored Cable Lock**

Universal Fit

Part Number: 46089-98B

This tempered steel cable lock features a smooth vinyl cover to protect the frame and wheel from scratches. The braided cable offers improved cut resistance, and the integrated lock features a snap-shut cylinder with quarter-turn key movement. Kit includes 2 blade-style keys.

- Cable length: 6' (183cm)
- Cable is encased by hardened steel links to provide increased security
- Corrosion resistant
- Limited lifetime manufacturer warranty*
- Free key registration and replacement program*

*"KEY SAFE" registration and replacement service is provided by the lock manufacturer. Information is included in the product packaging.

Warning: Remove lock before operating motorcycle. Failure to remove lock could result in death or serious injury.

NEW PRODUCT CATALOG '22

Locks

**Universal Mount Helmet Lock
— Black**

Fits any .875"-1.25" tubing including Frame Tube, Engine Guard, Handlebar, or Saddlebag Guard.

Part Number: 92800020

**Universal Mount Helmet Lock
— Chrome**

Fits any .875"-1.25" tubing including Frame Tube, Engine Guard, Handlebar, or Saddlebag Guard.

Part Number: 92800019

Lock your lid. This Universal Helmet Lock secures your helmet through its D-Rings directly to the motorcycle so the helmet can't be dropped or stolen.

- Easy to use – clicks into the locked position without fumbling with the key while holding the helmet
- Mounts to tubes from .875" to 1.25" in diameter, including most handlebars, engine guards or bag guards, so you can select the most-convenient location on your bike
- Includes tamper-proof and standard mounting screws so the lock may be permanently or temporarily attached to the motorcycle
- Black finish blends with dark accessories or bike accents for a clean look
- Scratch resistant backing won't mark the motorcycle finish
