Rules: In order to participate you must be a Mineshaft H-D H.O.G Chapter member on less than 2 days before the first completed ride. All pictures must be submitted in digital format to clint@mineshafthd.com. Once submitted you will receive a reply email for your records within 24 hours. If you don't receive a reply email please contact Mineshaft Harley-Davidson staff. Pictures may not have any filters, edited, or grabbed as a screenshot since we need the metadata on the photograph to verify the date the picture was taken. We recommend pictures taken in JPG format and be submitted in medium to good quality. The picture should be taken at a prominent spot in the park, preferably by the park sign if the location is safe to park. The picture must show the rider/s, motorcycle/s, and a prominent unique park area. We will accept selfies if riding alone or couples pictures of 2, 4 or 6 people with motorcycles. Both rider and passenger qualify for the challenge though each individual must complete this form. A group picture at the location with or without motorcycles will qualify if the ride is recognized as an official Mineshaft H.O.G scheduled ride in riding gear. Pictures may be submitted individually or all together. We are not responsible if you loose your phone/pictures/ cameras therefore we suggest you take a backup picture. All pictures and forms must be submitted by October 31st of 2019.

Note: This riding challenge is to be done at your leisure and time. This is not an official dealer ride nor is the dealership making this challenge mandatory to be a Mineshaft H.O.G member. Therefore you assume all responsibilities to obtain the proper safety gear & precautions, insurances, and preparation. See your H.O.G dealer representative or H.O.G director for insurance coverage and requirements for official Mineshaft H.O.G scheduled rides.
