Rules: In order to participate you must be a Mineshaft H.O.G Chapter member before you start the challenge. All pictures must be submitted in digital format to clint@mineshafthd.com. Once submitted you will receive a reply email for your records within 24 to 48 hours. If you don't receive a reply email please contact Mineshaft Harley-Davidson staff. Pictures may not have any filters, edited, **no screenshots** since we need the meta-data on the photograph to verify the date the picture was taken. We recommend pictures taken in JPG format and be submitted in medium to good quality. The picture should be taken at a prominent spot in the park, preferably by the park sign if the location is safe to park. The picture must show the rider/s, motorcycle/s, and a prominent unique park area. We will accept selfies if riding alone or couples pictures with the motorcycles. Both rider and passenger qualify for the challenge though each individual must complete this form. A group picture at the location with or without motorcycles will qualify if the ride is recognized as an official Mineshaft H.O.G scheduled ride wearing riding gear. Pictures may be submitted individually or all together. We are not responsible if you lose your phone/pictures/ cameras therefore we suggest you take a backup picture or store your images in the cloud or computer. You may also email it to yourself shortly after taking it. All pictures and forms must be submitted by October 31st 2019. Note: This riding challenge is to be done at your leisure and time. This is not an official dealer ride nor is the dealership making this challenge mandatory to be a Mineshaft H.O.G member. Therefore you assume all responsibilities to obtain the proper safety gear & precautions, insurances, and preparation. See your H.O.G dealer representative or H.O.G director for insurance coverage and requirements for official Mineshaft H.O.G scheduled rides.
