Elk River Harley-Davidson provides donations to many local organization and events. Many of these donations occur on an annual basis and have been on-going for a number of years. Others are single event requests. We would like to help everyone who asks; however, we are now receiving more requests than our donation budget can accommodate, and we are forced to closely review each request before we commit assistance.

To help us do this evaluation we respectfully request that you complete the following questions and leave the completed form with our receptionist. Your request will be reviewed at our next Donation Fund Meeting and you will be advised of the result.

WE REVIEW DONATION REQUESTS ONCE EVERY 30 DAYS ON THE 5TH OF EACH MONTH
