Harley-Davidson of Dothan is proud to be an active and charitable member of our community. We make large donations in support of Special Olympics, Wiregrass Children's Home and Muscular Dystrophy Association through organized charities and events throughout the year. The number of requests received for donations is staggering; therefore we limit our charitable donations to charities that benefit children, police & firefighters, active duty military personnel and a few selected organizations championed by the motorcycle riding community. There are many legitimate and worthy causes we are unable to assist, because our resources are limited. We do our best to make choices that will have the greatest impact on our community and affect the most individual lives.

Your request will be reviewed by management. **You will be notified by phone if your request is approved prior to the deadline indicated above. If the deadline passes without hearing from us, we are unable to help at the time of your request.**

I certify I am collecting donations for the above charitable cause and that I am authorized to represent this cause/organization.
