

## Wolverine Harley-Davidson Winter Storage Program

Winter Storage Program includes engine oil & filter change, Full safety & maintenance inspection, fuel stabilization, rotations on battery tenders, and a motorcycle wash prior to pick up.

Motorcycles are all stored in climate-controlled, secured facilities.

Storage motorcycles are eligible for deferred payment on any maintenance or customization work that is performed while motorcycle is in storage.

No payment due on any deferred work until  
you pick up in the spring!

**\$369 Two-Wheeled Models**

**\$419 for Trikes**
