**Credit Card For Deposits and Payment**

\_\_\_\_\_ Visa    \_\_\_\_\_ M/C    \_\_\_\_\_ Amex    \_\_\_\_\_ Discover

Card # \_\_\_\_\_ Exp. Date \_\_\_\_\_ CCV \_\_\_\_\_

Billing Address # \_\_\_\_\_ Zip Code \_\_\_\_\_

Note: No work will be scheduled or started until all previous invoices are paid, a deposit is received covering half the estimate, and a credit card is on file for the balance of the work. No vessels will be released or delivered until all work is paid in full.

**\*Service battery(s) includes:** Check mounting & terminal coverage, top off fluid, clean & coat connections, charge battery(s), and load test

**\*Trailer maintenance includes:** Check/repair lights, inflate tires, grease bearing buddies, etc.

**\*Engine/Generator start up/commission includes:** Check charging system, check fuel & oil system - inspect for water leaks, check cooling system – inspect for leaks and make sure the engine comes up to temp., inspect intake screens, check engine mounts, check for loose fasteners, check shift & throttle controls, check steering & engine tilt, check engine monitoring system & audible alarm if equipped, and check engine belts and hoses for wear. All items listed are completed prior to launch, we also recommend a system check on the vessel prior to launch, and a sea trial is recommended after launch.

**Instructions: Please fill out the following form only if Baywood Marina has not previously serviced this vessel or if the information has changed. Thank You.**
