Director's Corner-Tammy Swikert

Another great riding season is nearing its end. Thank you to everyone that participated this year!

We will be contacting everyone with information pertaining to our holiday HOG family dinner. Stay tuned!

Thank you to everyone that attended our last HOG chapter meeting of the season and a big thank you to Erik and Dixie for providing us pizza for the meeting.

Don't forget the last ride of the Bull Falls season. The Die-Hard Ride will be November 6th following the VIP party on the 5th. Hope to see you all there! Until then, ride safe ride free.

Well, another Tomahawk Fall Ride is in the rearview mirror! It was the 40th anniversary of Colorama/Fall Ride. Tammy led our HOG Chapter in the Thunder Parade. It was great to see a good presence of riders. I talked to a spectator after the parade that claimed they counted 498 motorcycles! With the unusually nice weather (everyone has their own freezing cold Fall Ride story right?) there seemed to be more people than usual. With last year being hindered there were many saying they were extremely happy to be back again. Make plans for next year's Fall Ride as it is an awesome event that just happens to be in our back yard!

No news to report on next year's HOG Rallies yet. I'll let you all know when news gets released as when to plan your route to the Rally. Meanwhile make sure to stop at Bull Falls Harley-Davidson to get your RIDE 365 mileage recorded. Just because Fall Ride has passed doesn't mean our riding season should slow down, just make sure to pack some warmer clothes along to enjoy some of the best miles of the year!

Keep riding, Pete

Treasurer/Historian Report-John Napierala

Hello everyone,

Welcome to our colorful fall riding season! We have been having some beautiful fall days and everyone should be out riding!

Thanks to Tammy for leading our Chapter in the Tomahawk Thunder Parade and to Anthony for carrying our Chapter flag. Great turnout for the parade and lots of spectators along the route making it a huge rebound for the 2021 Fall Ride! That's all for now going riding!

Ride Safe Ride Often!
