This summer has blown by faster than we'd ever imagined possible. It seems like I blinked and it's time for Fall Ride! Don't let the speed of the summer fool you. The best riding days are ahead!

Thank you to everyone who has helped make this riding season so successful. It seems as if the chapter has really come together. It makes me proud to see our chapter so supportive of the dealership and one another. This is the very spirit of Harley-Davidson.

Let's continue to enjoy the many miles left in the season as we head into fall colors and the most beautiful roads in the world.

Love, Mama Bear

## *Assistant Director-Pete Faber*

Greetings fellow HD enthusiasts,

Well, here we are rolling into September and once again time has gone by much quicker than the non-rideable season! The fall color riding is among the favorite time to ride for many of us. The temperatures are still good and the colors that we get from Mother Nature are awesome! Get with your riding friends, or by yourself if you prefer but the main thing is to get in that wind therapy time! We have the Tomahawk Fall Ride to look forward to this month. Let's see how Mother Nature treats us this year!

There is plenty of riding to be done this year but let's look ahead to next summer. The Mid America Rally for 2023 will be in St. Charles, MO June 22-24, 2023. Put the dates in your calendar and get those vacation requests filled out if that applies! I do have some rooms reserved at the host hotel so let me know if you would like one. The rallies are a great time among some of the best people you can be around.

Enjoy the Ride

Pete

Folks, I hope everyone is getting ready for riding season, now if mother nature would cooperate and the salt truck are stored.

Effective in 2022 the chapter has gone to a common expiration date for your chapter membership of 12-31 and the membership dues are now \$10.00 per year.

Please add [pookie@go.bullfallshd.com](mailto:pookie@go.bullfallshd.com) as a contact because we have had issues with e-mail providers blocking chapter notices as spam.

Happy August Bull Falls Chapter #4667 Member

WOW it's September already! The days of summer sure go fast when you're out enjoying rides whether there be wet roads, rain, clouds, or sunshine. I hope you all have been out a lot this season. September 10th will be the last group ride for Cruisin' for a Cause which will be heading East. This is the ride you do not want to miss as I have been told it is the best ride route of all four. September 10th is also the LOH gathering so the ride will be starting later with the pre-ride safety meeting at 10:45 and JSU right after. This ride will take place rain or shine. Get out and ride now as I think this will be the best riding of the season. Steve

Hello all,

I would like to remind my Ladies of Harley about our September LOH Coffee Club This month it is Hosted by our very own Photographer, Debra Musgrove September 10, 2022 at 9am at Whitewater Music Hall Coffee House 130 N. 1st Street Wausau, WI. Let's support Debra and have a great turn out. The place sounds interesting and wonder if there is more to see than Coffee.

Debra would also like to get a photo of the LOH ladies in our Hog Chapter sometime this year. I know it is hard to get all of us together at the same time, with the busy schedules our ladies have. Maybe we can plan on photo during the Christmas party. I have no info on the date for that, just throwing out photo shoot possibilities. Hope to see you all at the Coffee Club this month, Sept 10!! Be there, OR, miss out on a Great time chatting with the girls.

God Speed, Joan Faber

Hello Everyone,

Hope this finds everyone well and enjoying our riding season and putting tons of miles on you Harley!

Thanks to all members who are attending our FishFrides and burger runs as great times are had by all! (See pictures below)

Fall Ride is coming up in Tomahawk on Sept.15-17. This is a HOG check in so be sure to bring your HOG card for your ride pin. Many of us will be riding in the Thunder parade on Friday meeting at the High School at 5:00 for line up. There's always lots of bikes and lots of spectators along the route. It's great way to enjoy the Fall Ride and the Northwoods!

If you are interested in going to the Mid America Rally in St. Charles Missouri next June, please see Pete as he has blocked some rooms for the Chapter.

We are looking into rooms for the 120th HD Anniversary in Milwaukee next July so let us know if you're interested, or if you have info on rooms, please share with the Chapter.

Our beautiful Fall colors will soon be here! Ride Safe and enjoy this great season! John N.
