Hello All

Here we are racing into September already-seems like summer goes by faster every year! While Labor Day is the unofficial end of summer we will still have plenty of opportunity to ride into fall. The fall season can be bittersweet knowing our riding season is waning, but many feel it is the best riding our region has to offer! From the beautiful colors nature blesses us with accompanied with the smells of the crop lands (well most of them anyway) leave plenty of riders envious of what we have right in our back yards! With the Fall Ride around the corner, be sure to take advantage of every chance to get together with friends or get out yourself and ride!

I have been seeing pics and hearing plenty of adventure stories being told so let's not forget to get your 365 Mileage read at Bull Falls. You don't have to wait until the season ends, get it read and we can track how the Chapter is doing this year. Also check what benefits your HOG Membership includes, although the association with other Harley minded people cannot be matched by any other riding group, HOG has negotiated with hotels to gas and much more. Go to h-d.com/membership to check what there is for you to get the most of your HOG Membership.

See you all at the HOG Barn ride September 8th

Life is Short-Make it Sweet!

Hello All, Here comes September and with it will bring those first days of fall, which I personally feel is some of the best times to be out riding those motorcycles. Who doesn't love the beautiful fall colors and those cooler temps, especially after the heat waves of August we just survived. Plenty of weeks to still get out and enjoy that awesome wind therapy! And don't forget to stop in and get those miles recorded for the Ride365.

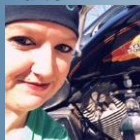

Just another reminder to save the date for next year's Mid-America HOG rally which will be hosted down in Springfield Missouri and running June 5-7th. Please reach out to me if anyone still needs the host hotel information. And as always, remember to keep an eye on the Bull Falls HD Event Calendar for the many remaining upcoming local events. Lots of fun events yet this riding season. :) See you out on the road! Ride Safe and Ride Often! Holly

Sunday, August 25th, was the Chapter meeting and summer picnic at Veterans Memorial Park in Tomahawk. What a great event! Thank You, Joyce, for all your planning and to all the helpers that helped make it a successful and fun event. The group ride to Tomahawk led by Pete and Joan, was an interesting route. The food catered by Todd & Peggy's Whiskey River Bar & Grill was VERY GOOD. After we had all eaten, it was time for Bingo with prizes. Again, "THANK YOU" to all who helped make the Chapter Picnic a fun time for all attendees. Have you noticed how colorful the ditch lines have gotten in the last few weeks? I have noticed so many trees that are in full color already too. The daylight does not last as long in the evening either. All these things are letting us know that the end of our riding season is getting closer. It is time to get those last-minute rides in or rides you have been wanting to do in the 2024 riding season completed. There are still lots of good events in September like the Iola HOG Barn ride, Tomahawk Fall Ride and many more if you are running out of ideas.

Do not forget when you are out on the road, be ready with a plan of action when a deer, turkey, turkeys, or other wildlife decide to cross your path. Ride Safe Ride Often Steve

Folks, please let me know if you made any changes to your motorcycle inventory. Please send me the starting mileage for any new to you motorcycle you added and the last mileage on any cycles you transferred so I can update the Local Chapter mileage records.

Please advise anyone you know of that is having problems receiving Chapter e-mails to add info@go.bullfallshd.com as a contact because we have had issues with e-mail providers blocking chapter notices as spam.

Please check your National HOG expiration date as you must be an active National HOG member to be a local member. Please contact me if you would like help reviewing your status or have any other membership questions. 715-355-5033 thegrizz@charter.net
